

MISSION STATEMENT

- We strive to be the staffing provider and employer of choice that focuses on delivering quality care in a timely, professional manner with a strong focus on client satisfaction
- We intend to build lasting business relationship by: treating our clients as they would want to be treated, communicating honestly and clearly.
- Providing exceptional customer service and listening to our clients to truly understand their needs

OUR SERVICES

● Recruitment and Placement

Discover a seamless recruitment process that connects healthcare facilities with the best-matched professionals. We meticulously screen and match candidates to ensure a perfect fit for your organization's requirements.

● Credentialing and Compliance

Rest easy knowing that all professionals placed by Omega Healthcare Staffing Resources adhere to stringent credentialing and compliance standards. We prioritize verification of licenses, certifications, and regulatory requirements to ensure the highest quality of care.

● Specialized Staffing

Benefit from our expertise in specialized areas such as nursing, allied health, and administrative roles. We understand the unique demands of each sector and provide qualified professionals accordingly.

● Temporary and Permanent Placements

Whether you need temporary staffing solutions to manage fluctuations or permanent placements for long-term stability, Omega Healthcare Staffing Resources offers a range of options to meet your staffing needs.

WHAT SETS US

We are passionate about empowering healthcare professionals. Omega provides not just jobs but meaningful careers, offering opportunities for growth, professional development, and a sense of fulfillment in contributing to the greater good of healthcare

- Holistic Staffing Approach
- Innovation in Care Delivery
- Building Communities of Care
- Empowering Healthcare Teams
